

# **Asteroid Node - Privacy Policy**

The ensuing agreement is adjacent in terms, definitions and liabilities with the Terms of Service, any additional information may be found there. Furthermore does this agreement constitute the client's rights in terms of data, information and privacy.

The governing factor of the agreement is the United Kingdom of Great Britain and Northern Ireland.

## **Additional Definitions**

“Controller” = The provider, one who processes and or shares and or stores data of the client.

## **What are my rights?**

### **1. Disclaimers and declaration of rights**

#### **1.1 Declaration**

The client's applicable and enforceable rights are dependent on their legal residence and the data protection laws enforced within said residence. The controller vows to explicitly follow and enforce the General Data Protection Rule, Children's Online Privacy Protection Act, California Consumer Privacy Act and UK GDPR. In addition, will the controller under requirement by law, follow the data protection rights enforced on a client's residence where the residence is exempt from the aforementioned.

***„The aforelisted has no effect on your statutory rights“.***

## **1.2 Disclaimers**

One may in event of activation of the Clause of Termination as (Seen in Terms of Service) require one's information to be evaporated from the provider's systems, yet by law of the United Kingdom, furthermore Her Majesty's Revenues & Customs regulations is the provider required to retain data of the billing category for a minimum of 6+1 (+1 per HMRC review) years. Said data may be of the following kind;

- Date of Purchase
- Amount of Purchase
- Invoices
- Full Name
- Address

Data processed and controlled by AsteroidNode is not used in any commercial way by any means. Exceptions to this may occur in instances where legalities object the aforestated.

## **2. United Kingdom & European Economic Area**

A resident of the United Kingdom and European Economic Area may require the provider to act on the following rights;

- Right to request all data we have on you
- Right to prohibit us from accessing your data
- Right to restrict data processing
- Right to prevent data being used commercially
- Right to retract your data

### **3. California**

Clients within the state of California of the United States of America have their own data protection act known as the CCPA, said act is followed by the controlled and does the client of the state's residence inherit the following on contract instigation;

- Right to prevent data being used commercially
- Right to the knowledge of data storage
- Right to retract your data

#### **Clients under the age of 13;**

If the provider is on knowledge of fact that a client is of age younger than 13, shall said provider by requirement instigate immediate termination of relationship and remove all data, applicable to be deleted. Conversely if said client has written permission by their guardian of legal age to utilize, engage in commerce and consume with and on the provider's service(s) does the prior become void.

As by the statutory definition of the Terms of Service does AsteroidNode only take payments via PayPal or Stripe, cited payment processors require the user to be of age above 13 which by the controller's trust in them does not instigate any mandatory refunds unless applicable by the refund section of the same Terms of Service.
